Bright Shine visited the Broadmoor's Preschool Program, as a part of Dental Health Awareness Month.

On February 22, eighth graders from Ridge Middle School hosted 20 individuals and completed 5 different art projects throughout the school. Everyone enjoyed themselves socializing and participating in fun activities together. The event was covered in the News Herald and Mentor School TV.

On March 2, twenty-six students from Lake Catholic, Riverside High School and St. Gabriel's Middle School visited Broadening Abilities, Broadmoor School, VGC, Willoughby Branch, ARC and JCDC to read Dr. Seuss books as part of NEA's Read Across America Day.

On March 7, at the Lake County Commissioners' meeting, two individuals who are enrolled at CES and work at Laketran, along with several of our agency and Laketran staff members, presented gifts and a brief synopsis of our wonderful partnership as part of celebrating Developmental Disabilities Awareness Month.

For February at VGC, we started the month off with Ground Hog's Day.....6 more weeks of winter. Individuals decorated the halls and groups for Valentine's Day. The individuals all participated in making homemade dog treats and delivered them to the Lake Humane Society. The groups baked cookies, had a Black History Celebration and ended the month with Mardi Gras and Fat Tuesday while enjoying paczkis.
