- A. It is the policy of the Lake County Board of Developmental Disabilities/Deepwood that only those individuals eligible for services receive services.
- 1) Initial eligibility determination shall be made by Service and Support Administration within Forty-Five (45) days of the request for services or after all necessary information has been received from the referring party or applicant. Persons determined eligible may be referred for further evaluation by Service and Support Administration then to the appropriate program which they meet the criteria for services. Individuals waiting for requested services shall be placed on the Board's waiting list(s). Infants and toddlers under the age of three in the Help Me Grow Program are screened by Crossroads.
 - 2) Redetermination shall be made by Service and Support Administration.
 - 3) When the Service & Support Administration department refers an individual to another program area, that program area may evaluate further to determine if the criteria specific to the program area is met.
- B. Anyone determined ineligible for enrollment shall be notified of the decision by the Superintendent or designee, via certified mail, with a copy of Board Policy C-1, Administrative Resolution of Complaints – Appendix A. All persons found ineligible shall be referred to alternative services, via sending information on how to access the community resource directory on the Agency's website and/or the individual may request to have one mailed.
- C. If an individual qualifies for enrollment in a Board program or service area, all reasonable efforts shall be made to accommodate and meet any special needs of the prospective enrollee, given available Board resources. Whenever capacity limits enrollment, a waiting list shall be maintained by the Service and Support Administration Department. This waiting list shall be administered in accordance with Board Policy and rules set forth by DODD.
